yo3dac homebrew rf circuit design ideas qsl net

may 4th, 2018 - homebrew rf circuit design ideas there is no such thing as a new idea it is impossible we simply take a lot of old ideas and put them into a sort of mental kaleidoscope'

'governor of poker 2 quick tips and cheats much better

april 28th, 2018 - special strategy an unusual strategy that i've been trying out this week has enabled me to win first place in tournaments in several different cities no matter what cards i draw when it's my time to bet when everybody has only their two face down cards and prior to the flop i always bet "all in " usually with a little squiggle of'
