' 10 hands on

strategies for

teaching area and

perimeter

may 12th, 2018 -

every year many of

my students seem to

have difficulty

grasping the idea

of perimeter and

area i've found

that the best way

to help students

*learn the
difference between
the two while
figuring out how to
properly calculate
each is to have
them engage in
several different
hands on
activities'*
